In Memoriam

Our hearts were saddened by the tragic death of our former classmate and friend, Bobby Anderson, on Sunday night, October 27, 1957. Bobby has been with us since he entered our school as a first grader in September, 1948 until his family moved, and he enrolled in Springfield High in September 1957. There has been a vacant place in our class; there will always be a vacant place in our hearts. We loved Bobby and we have missed him.

For God has marked each sorrowing day
And numbered every secret tear,
And heaven's long age of bliss shall pay
For all his children suffer here.

THE WILL

3-7-'59

We, the Senior Class of 1959, do hereby ordain this to be our last will and testament. Darrell Baker leaves his ability to save money to Gayron Bishop. Joyce Simpson leaves her privilege of going to every ball game to Billie Ann Arnold. Bobby McCloud leaves and takes "Cookie." Pete Thompson leaves Brenda Pinkston but NOT TO ANY-ONE ELSE. Brenda Turner leaves her place as Editor of the Yearbook to Patsy Devine. Bruce Sims leaves his privilege to eat in class to Wallace Votaw. Rickie Lake leaves his ability to be president of the Senior Class to Nettie Graves. Lavone Kays leaves her ability to get a man and keep him to Jeanette McCloud. Barbara Montgomery leaves her quiet, obedient ways to Wilna Hall. Bruce Bottom leaves his privilege to get to school late and still graduate to Jane Russell. Richard Coulter leaves his quiet way to Glenn Black, Billy White leaves his technique of getting along with the female population to Gilbert Carey. Danny Bugg leaves his ability to make wise cracks to Dudley Thompson. Pat Howard leaves her ability to get along with the principal to Lynda Gabhart. Blondie Dean leaves her ability to act like a lady to Anna Martha Lawson. Bruce Parrott leaves his enormous appetite to Jerry Burns. Jo Etta Yankey leaves her position as cheerleader to Rosemary Yancey. Burtice Russell leaves his position on the basketball team to Jimmy Isham. (Get Had-a-Col Jimmy!) Lavernne Blacketer leaves the front seat on the bus to Judy Beavers. Emma Belle Goode leaves her class loyalty to Donnie Mattherly. To the Freshman we bestow all the mistakes and blunders committed by us during the last exciting year of our most exciting life. To the Sophomores we leave all the bluffing and all our cheating notes. (but to tell you the truth it won't do any good.) There really isn't much for us to leave the Juniors for they have everything already. To the Faculty we leave a little peace and quiet, but the Seniors boys want them to know they are not the only ones that makes noise in the halls.

The Fifty Niners

CLASS PROPHECY

Dear Friends: September, 1969

This is the reunion party, we, Seniors of 1959, promised ourselves. It is being held in the beautiful country home of Mr. and Mrs. Robert Bruce Parrott. I shall pause to give you a glimpse of the very important people gathered here tonight. The first to arrive was Darrell, President of Jones & Jones, Inc. We had a little trouble parking his Cadillac. The next guest is the Coach from Madison Central, Bobby McCloud, and his wife, Jo Etta. She didn't teach just got her degree (Mrs.). Emma Belle is here; she has just returned from a trip to Europe with her millionaire husband. Jet Pilot, Burtice Russell, set a new record for a non-stop around the world just hurrying to get to our party on time. Bruce Bottoms had a tougher time, he had to fly back from the moon in an hour and a half. This guest, Richard Coulter has made a million peddling bird seed. Blondie is a Greyhound Bus Driver, who has made a splendid record. Blondie and Richard keep looking at one another could that mean anything? It is so much fun to listen to Pat tell about Hollywood. She and her talented husband have made some wonderful recordings recently. Rickie Joe, a politician, plans to enter the Governor's race soon. Pete made a doctor. He and his wife, Brenda, with Marvin III have just arrived. Lucky to get away from the hospital this early. Joyce made a Home Economics teacher at La Fayette High. (I see she is wearing a ring tonight.) Billy White and Bruce Sims, two of America's greatest tycoons, managed to leave their oil wells long enough to attend our party. Laverne, a secretary in Washington D.C., is going to the Hawaiian Islands soon. Danny Bugg finally got to go to Las Vegas. He has really been around, but now we think he is going to settle down. He plans to go in the Trailer Truck Business. Housekeeping wasn't enough work for Lavone so she became a beautician in Harrodsburg. The greatest attraction has been Barbara, her handsome husband, and her nine darling children. No one had seen Barbara since she married and moved to South America. Now for Robert Bruce, a jolly good fellow weighing 280, and his wife, Brenda, neat and attractive as usual, they have been the perfect host and hostess. I must not pause to write any more, I must enjoy every precious moment.

A loyal classmate
